

Product data sheet Spirotech

Product name

SpiroTop -1/2"

Product properties

A brass air vent for heating- and cooling systems with a 1/2" connection

- Special valve construction ensures valve is closed completely
- Long lasting valve seat
- Solid plastic, robust floats which cannot rupture
- Large air gap between the valve and the water (at least 40 mm) prevents valve contamination and leaks
- Applicable with 50/50 Ethylene Glycol / Water (Volume)
- 1/2" connection prevents pipette effect

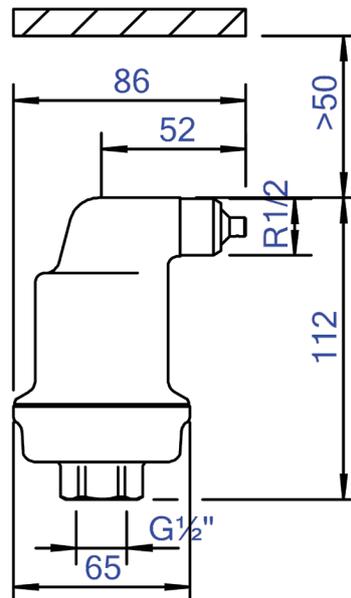

Article number

AB050
